

Parasol

Assembly Instructions

Note: The parasol base used in fig.2 and fig.3 is for illustration purpose only and sold separately.

Safety instructions:

- Assemble on a soft, non-abrasive surface.
- Two adults may be required for safe assembly.
- Do not leave the parasol open during high winds.
- Fully close the parasol during windy conditions.
- When not in use, keep the parasol closed.

Care and maintenance:

- Clean with mild soap and lukewarm water, rinse, and air dry.
- When not in use, close and cover parasol with a protective cover (not included).
- Allow a wet canopy to dry while in open position.
- Store indoors in a cool, dry place.
